## › Internship - Corporate Strategy/Sustainability

### Work Environment

The Corporate Strategy division is responsible for focusing the strategic direction of Audi on future developments to secure the company's long term success. We work directly on CEO- and board-level tasks and address critical company goals to ensure the successful execution of Audi's Strategy 2025. Being part of the Audi Corporate Strategy division, the Sustainability department is committed to making a difference: not only do we develop and operate Audi's sustainability strategy, we also take care of all sustainability management matters such as collecting stakeholders' opinions, publishing the Audi Sustainability Report and communicating on sustainability-related topics.

### Job Purpose/Role

Support the team of Sustainability at Audi:

- › To deal with projects on strategic corporate questions regarding sustainability
- › To develop a new conceptual approach for our stakeholder survey
- › To conduct benchmark analyses
- › To prepare events in the context of our lecture program "Responsibility as a Perspective" and our training program "Sustainability Academy"
- › To finalize the publication of the Audi Sustainability Report and to assist in its cross-media communication
- › To communicate sustainability topics both within Audi and externally with a focus on digital communication

### Key Requirements/Skills/Experience

- › University education in business administration, (industrial) engineering, communication studies or comparable, preferably have finished basic studies
- › Outstanding academic results
- › Previous practical experience, preferably in relevant companies such as automotive OEMs or consulting/auditing/finance firms
- › Strategic mindset and strong analytical skills
- › Experience in project management and interdisciplinary work
- › Demonstrated passion and experience in the field of sustainability
- › Fluent in spoken and written German and English
- › Excellent Microsoft Office skills, especially Microsoft Power-Point
- › Readiness to go the extra mile

The internship is considered for students who are available for 5-6 months. Driver's license Class B preferable.
